

Creating the Title Page

Creating the Introduction of Alopecia Areata

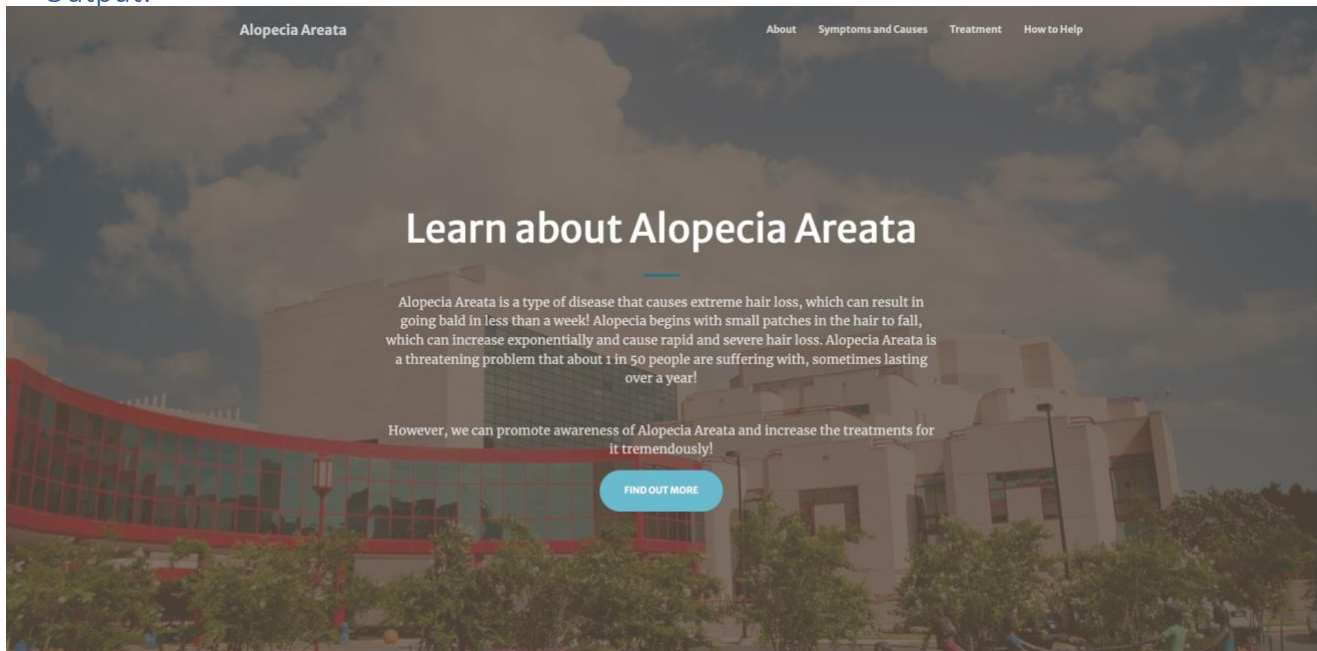

This will be how I introduce the topic of Alopecia Areata. I will make a strong and convincing introduction to motivate the users to keep reading. I will also make a “Find Out More” hyperlink button that redirects them to the next portion of the website, to make it more interactive.

To access this portion of the website, the user can click the “Alopecia Areata” navigation button at the top of the site.

```
<header class="masthead">
  <div class="container px-4 px-lg-5 h-100">
    <div class="row gx-4 gx-lg-5 h-100 align-items-center justify-content-center text-center">
      <div class="col-lg-8 align-self-end">
        <h1 class="text-white font-weight-bold">Learn about Alopecia Areata</h1>
        <hr class="divider" />
      </div>
      <div class="col-lg-8 align-self-baseline">
        <p class="text-white-75 mb-5">Alopecia Areata is a type of disease that causes extreme hair loss,
which can result in going bald in less than a week! Alopecia begins with small patches in the hair to fall, which can
increase exponentially and cause rapid and severe hair loss. Alopecia Areata is a threatening problem that about 1 in
50 people are suffering with, sometimes lasting over a year!
        </p>
        <p class="text-white-75 mb-7">
          However, we can promote awareness of Alopecia Areata and
          increase the treatments for it tremendously!
        </p>
        <a class="btn btn-primary btn-xl" href="#about">Find Out More</a>
      </div>
    </div>
  </div>
</header>
```

Notice that the class is called “masthead”, this is to ensure that the background picture matches with the section.

Output:

Note: the picture was imported at the start of the website. It is in the same directory as the website files, named “bg-masthead.jpg” inside of the “assets” folder. It is a picture of a hospital, which demonstrates the topic of Alopecia Areata.
